To the Parents and Community of Harlin State School,

Busy, busy, busy as we make it over the half term mark. Our junior students travelled to Toogoolawah State School to join in with Under 8’s day. It was an awesome day and the behaviour of our students was impeccable - thanks also to Charlie B and Alex H for their expert advice and help with Mrs Wendt on the famous Mask Making activity. Charlie and Alex were chosen as helpers this year in response to their constant offers of assistance to Mrs Wendt, Mrs Lynch, Mrs Philp, Mrs Maller, Mrs Hallas, Mrs Rye and Miss Derksen.

Congratulations to Emma Little who represented Harlin School and South Burnett for cross country. Emma did very well and it is great to see her perseverance and dedication to her training and running. Well done Emma!

I am off to THRASS training at Benarkin State School on Friday and Miss Derksen will be attending the Saturday session.

At Harlin SS we are focusing on improving our Numeracy across all year levels. We will be putting extra attention on problem solving in math and applying hands on approach to all levels of math. Our students have been working very hard on our show pieces for the Toogoolawah Show and please remember to visit our display if you are attending. Thank you to Ngaio who is organising the prep entry into Edible Necklaces and Decorating cupcakes. The children enjoy these events and it is a fun learning experience for them. Please see attached permission notes.

BIG BREKKY - TUESDAY 2ND JUNE
GOLD COIN DONATION

From the Senior Room
I wanted to share a few photos of what has been happening this week. Thank you to the junior room for making my day on Tuesday! Under 8's day was a lot of fun. When we came back I really enjoyed working with the juniors (and teaching them a few games).

Our interactive white board in our senior room is getting a good work out. Seniors enjoyed working out angles sizes. They are looking forward to using the board over and over again.

Well done Emma on a great run on Tuesday!!

Don't forget that the "Fantasy Bedroom" technology assessment is due in next week. I'd love to have some of the dioramas on display at the Toogoolawah Show next weekend.

Have a great weekend

Junior Room News

We have been very busy looking at different information on a variety of topics and how to take notes and identify facts regarding a topic. We have also learned some interesting facts along the way. I am still urging you to practise counting patterns with all of our students - counting in 1’s, 2’s, 5’s and 10’s. This forms a great part of everyday number use and becoming familiar with patterns. Our prep students have also been patterning and this week will be learning about time. Our shop and using money has been a great hands on experience with identifying coins and working on giving change. We will be dismantling the shop toward the end of the term and using the boxes and cartons for box construction. Thank you to everyone for their assistance with this.

Fun-Run School News

We will be holding an Adidas School Fun-Run as a major fundraising event this year. The event will be held on Thursday 25th June 2015 within the school grounds.

The School Fun-Run is a healthy, fun and active fundraiser that ensures we send the right message to our students about getting active, having fun and maintaining a healthy lifestyle. The main focus of this event is on participation. Family support is most appreciated as we encourage all students to get involved.

All students will receive a Sponsorship Form to help collect sponsorship on behalf of the school. The funds raised will be used to purchase: RESOURCES: OUTDOOR CHESS SET, BOARD GAMES, DVDs, SANDPIT TOYS

We ask all parents to read the Sponsorship Form and sign the front page to grant permission for their child to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to Disneyland!

You can also help us win an extra $1000 for our school, by participating in the Bupa Family Challenge. We’re encouraging all of our student families to register for the Fun Run Challenge at www.bupafamilychallenge.com.au. The Fun Run Challenge has been designed to help you and your child work together to prepare for the fun run. You will have access to fantastic training exercises, nutrition tips, recipes and health guides to help you get ready for your fun run and develop some healthy habits as a family. The school with the most registrations will win $1000 so every family counts! Remember to enter our school name and the FUN RUN promo code when you register.

Students wanting to track their progress, and use online fundraising, can do so by logging onto schoolfunrun.com.au/students and creating a Student Profile Page.

Finally, we would like to welcome parents and family members to attend the School Fun-Run event day at the school on 25th June to help cheer on the students.

Online fundraising will be available this year. Details shortly

Thank you, good luck and happy fundraising!
