To the Parents and Community of Harlin State School,
Attached to last week’s newsletter was the new State School Consent Form to use, record or disclose copyright material, image, recording, name or personal information. This needs to be filled in and returned ASAP to the office so that we are aligning to our State Schooling Requirements. If you did not receive the form please see Narelle in the school office. Thank you to those parents who have returned their forms.

**Discipline Audit**
Well done to all of our team on our fantastic audit results. I will receive our official report this week but am very pleased with our results. This is another fine example of our staff, students, parents and school community working together to ensure consistency across our practises.

**Reports**
End of year is approaching very fast and all of our teachers are busily working on report cards. These will be sent home in the last week of school. At this stage we are all finalising assessments.

**Swimming**
We are swimming next Tuesday and Thursday afternoon at Kilcoy Pool—where we are able to access instruction from trained swim coaches. Please make sure your child has their money for entry into the pool ($2.60 each day), swimming shirt, togs, goggles, towel, sunscreen and water bottle each day. We will require volunteers to help both afternoons with swimming from 1pm—2pm. Please contact the office if you can help out.

Junior News

Busy working on finishing all of our assessment and I really want to acknowledge the great work that Mrs Vanessa Masters has put in over the past five weeks. The children have excelled in the work that Mrs Masters has taught and I am very proud of the way our P-2 students have conducted themselves over this time.

This week we are practising our math mentals– doubles, rainbow facts and easy addition and subtraction. Our year 2’s will be starting with their basic times tables. Preps have been concentrating on sounds and letters and matching amounts to numbers.

Well done to all of our students for the great effort they have put in on their support and help with our new prep students for next year. Year 1 and prep students from this year have made sure our new students are prepared and know where they are going for their rotations.

Well done to you all.
Kay Rye
