To the Parents and Community of Harlin State School,

Our countdown to the end of term begins and I am getting very excited about my upcoming trip. Miss Derksen is looking forward to taking over the helm and I have every confidence in all of Harlin State School staff and students that our school will be run efficiently in my absence. Miss Derksen will be engaged in working on an Action Plan for SWPBS and keeping us all informed of her progress. Mrs Lynch is very excited to hit the cold in Canberra with our year 5-7 students who will be gone for a week with Esk State School children. Not to forget our upcoming sports days and our rewards trip in the last week of school. Our Fun Run will also be held in the last week of school. The weeks will fly by and before we know it—it will be Term 3 and we will be moving into our new building.

It is a time of great excitement in little school and change is always positive. As we are now into winter not only is our lost property basket full to the brim and overflowing but our students are being affected by common cold viruses. Please it is essential that if your child is presenting with flu like symptoms to keep them home or get them seen by a local GP. It is an opportune time also to be reminding students of the importance of washing hands or using hand sanitiser to avoid the spreading of germs.

All of our students will be entering school work, craft or curriculum into the Toogoolawah show—please have a look at our display if you are attending the show this week.

As this is my last week until Term 3—please ensure you all have a great break coming up and stay safe.

Athletics Day at Linville SS
Harlin/Linville school track events will be on 20th June. All of our students are expected to attend and parents/carers are more than welcome to join us for the day. Please see the attached tuckshop form for FRIDAY 20th June. Due to the Athletics Day on Friday 20th, Harlin School tuckshop will now be on Thursday 19th. Please make sure your tuckshop order for that week is in a bit earlier.

If there is any reason your child cannot participate in the athletics days please contact the school principal. Please be aware if your contact details change i.e. Mobile phone contact or any relevant information about your child that we should be aware of, to inform the school office as soon as possible.

Regards
Kay Rye

A Note from the Happy Gardeners
Our vegie garden is beginning to bear “veggies”. Two of our lettuce are just big enough for the Toogoolawah Show. We hope you check them out when you go. We would love to have some very large pots to plant some flower seeds. If you have any spare, we would appreciate them. Drop in and see our vegie garden and take time to enjoy our school gardens.

**ATHLETICS DAY AT HARLIN STATE SCHOOL**
From the senior class

Another week almost over! Its only 3 weeks until school holidays, can you believe it? The year 5/6/7's are looking forward to going with Esk Primary School next week to Canberra. It will be a long drive, but worth it. It is a great opportunity for our students to see part of Australia and to go with another school will be an experience in its self. I hope our kids get to see some snow whilst they are down there.

The class really enjoyed "Battle of the Bands", Toogoolawah High School's musical. The singing by all the cast was amazing, there is a lot of talent at that school. The sets and costumes added to the effect. At the end, we got to dress up in rock clothes and Miss King took some photos. Going and seeing live theatre is an excellent experience, I hope that in a few years time when our kids are at the high school, we might get to see them in a musical.

The Toogoolawah Show is on this weekend. Our school has again entered a display with all the wonderful work that our school has produced. I'm looking forward to seeing it. Good luck to all the students who have put entries in. I myself will be checking out our entries, hopefully with lots of first place ribbons next to them.

Have a good weekend!
Kerry Derksen

**Pre Fun-Run School Newsletter**

We will be holding an *adidas School Fun-Run* as a major fundraising event this year. The event will be held on **Tuesday 24th June 2014** within the school grounds.

The *adidas School Fun-Run* is a healthy, fun and active fundraiser that ensures we send the right message to our students about getting active, having fun and maintaining a healthy lifestyle. The main focus of this event is on participation. Family support is most appreciated as we encourage all students to get involved.

All students have received a Sponsorship Form to help collect sponsorship on behalf of the school.

We ask all parents to read the Sponsorship Form and sign the front page to grant permission for their child to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to Disneyland!
