To the Parents and Community of Harlin State School,

ROAD SAFETY— PLEASE DO NOT PARK IN THE BUS ZONE OUTSIDE SCHOOL—THIS IS A STRICTLY NO PARKING AREA.
Please be vigilant in reminding your child that once they leave the school gates they need to look both ways before crossing the road. Les Smith Drive is very busy at 3pm and we all need to be enacting safe practises—looking both ways, walk across the road and look out for our siblings. We will be practising as a school this afternoon on the correct way to leave the school gates.

CHANGE TO PLAY BREAKS
First Break Play will be outside and Second Break Play will be inside until further notice. This decision has been made due to the extreme heat we have been experiencing.

WORLD TEACHERS DAY—FRIDAY 31ST OCTOBER
World Teachers' Day offers a chance to acknowledge our teachers and say thanks. Every day, Queensland teachers are making a difference educating and inspiring young Queenslanders.
World Teachers' Day, is celebrated in more than 100 countries world-wide and was established by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) in 1994 to celebrate the role of teachers in society. World Teachers' Day is held internationally on 5 October. As the day usually falls during school holidays, Queensland celebrates on the last Friday of October each year. The day is a wonderful opportunity to draw public attention to the important role of teachers in our local communities.
Thank you to Miss Derksen, Mrs Hallas, Mrs Crossato, Mr Arwadi, Ms Masters, Miss Perry and Mrs Lipp for your valued contribution to Harlin State School. It is a pleasure working with you all and I look forward to our continued success through your tireless commitment.

MUSIC COUNT US IN
Thank you to all of our parents and grandparents for your understanding with the change of venue for Music Count Us In. Due to the extreme heat we are experiencing at the moment—holding the event in our air conditioned classroom made the students very comfortable. Our students once again sounded very beautiful and thank you to Mrs Crossato for her understanding and hard work. Thank you to those parents and grandparents who came along to this event.

DAY FOR DANIEL
Friday 31st October is Day for Daniel. In support of this day, students can wear a red T-shirt to school. Students are asked to bring a gold coin donation to go to the Daniel Morcombe Foundation.

TUCKSHOP DAY—FRIDAY NOVEMBER 7TH
Let's give a special 'thank-you' to all tuckshop workers and volunteers for providing smart choices on Tuckshop Day, Friday 7 November. The website has activity ideas, gift suggestions and a certificate to help schools show their appreciation to those who keep our tuckshops going.

**MARKET DAY:**
Wow! What a day!
We were lucky to have the support of so many people, and far too many names to mention individually, so please accept our thanks for your efforts. Special mention must be made to the lady coordinating our markets, Sherree Grieve. Thank you Sherree— it was a wonderful morning and a lot of effort on your part. It is appreciated.

- Thank you to the parents, students and staff, family members and neighbours who volunteered on the morning and before with advertising, planning, set-up and clean-up. (also with babysitting so we could do all these things!)
- Thank you to the parents, students and staff who ran their own stalls.
- Thank you to the members of the wider community who ran stalls and entertained us.
- Thank you to the local businesses who donated items and supported our Market.
- Thank you to all our visitors who came for a drive and stopped a while. We hope you enjoyed your morning.

We would like to acknowledge the support of the following businesses.

- Harlin Roadhouse, Harlin
- Toogoolawah IGA & Home Hardware
- Esk Friendly Grocer
- The Esk Butcher Shoppe

From the senior class....

What a very very hot start to the week! With outside temperatures hitting the high 30's we have been having inside play at second break as it is just too hot! Its not just the students who are suffering in this heat, the air conditioners are struggling too. Hopefully this heat wave won't last for too much longer.

Students received their Ancient Egypt history research project on Monday. We have been reading information on Ancient Egypt in class in both History and in English, they can use this information to help them with their project. This task will replace homework for the next few weeks. Spelling homework will continue.

Year 2's joined us yesterday for transition day. I think they enjoyed being in the senior class and most are very eager to join us next year!

Don't forget high school transition days on Wednesday and Thursday next week.

Have a great week!

Junior News

This week the Juniors have welcomed pre-prep children into their class for transition to prep morning rotations. The children enjoyed writing the letter ‘b’ and making a bat, building a farm with blocks and animal figures, creating a collage of their names and digging for potatoes in the sand pit. Thank you to everyone - staff and juniors - for showing the future preps what a great school Harlin is.

The year 1 & 2 students have been busy planning a procedure - ‘How to make a Smoothie’ - as part of their English program. On Monday next week they will prepare the smoothies and photograph each step of this process as they go. Students will then create a photographic and written presentation of what they have done. After much planning, everyone is really looking forward to finally being able to drink their smoothie!

PRE- PREP MORNING
Today we held our second Pre-Prep morning with five young ones joining our Prep/Year 1 class. Abagail, Ciar, Harrison, Jack and Liam enjoyed the experience of working with others in rotation-al activities. During the morning, the children concentrated on the development of their fine and gross motor skills as well as learning about school routines and working with others in groups.
Mrs Hallas (Junior Class Teacher)
Rule of the week:

Accepting consequences without arguing

- Own your own behaviour
- Admit to yourself that you have done something wrong
- Realise that the truth will be discovered eventually
- Each person has their chance to tell their side of the story
- Explain yourself and only tell the facts
- Help solve the problem
- Hold your head up after the consequence and move on

Students receiving GOTCHAs this week for demonstrating positive school behaviours:

Warwick, Siena, Alex M, Charlie F, Jo-Reese
