To the Parents and Community of Harlin State School,

Our Term 2 has began with exciting news for our school. We have been successful in securing another building to be moved to our site. We will be housing a single classroom modular which will provide the much needed and long awaited extra space. We have secured the building and now start the process of site approval and ‘putting the wheels in motion’ for the arrival of the building. I am very excited with this new addition to our school and very thankful to our facilities manager Terry Aldridge who supported this request. Our P&C also have very exciting news - Our hard working P&C were successful in their application for a grant of $35000 to begin our covering of the tennis courts. This money will form the basis for our long awaited venture and we are well on the way to an undercover area big enough for our parades and wet weather play. You may have also noticed that we now have flashing lights on Brisbane Valley Highway reducing the speed limit in school zone times. Deb Frecklington our state member for Nanango was instrumental in this venture to ensure our school zone is safe for our students.

Our school photos went home last week and I am very impressed with the quality and professionalism of Country School Photos.

Well done to Jo Reese Donald who placed 9th overall at the Zone Cross Country – a great effort as 31 participants in this age group. Jo Reese trained hard and her efforts were rewarded.

NAPLAN - Our students will be participating in NAPLAN next week and I am very proud of the efforts they have put in to study and application this week. P&C are organising a breakfast for students who are participating in NAPLAN.

RAILWAY MARKETS TOOGOOLAWAH 10th MAY: Thank you to everyone who has volunteered to help. We are a little light on for helpers in the later part of the morning... If you have an hour to spare from 10am or 11am, we'd really welcome your help. Market organisers have changed the start time to 7:30am. Set up will start about 6am. For questions or offers of help, please contact Helen Golinski on 54235085.

If you can’t volunteer on Saturday, you could help us by coming along and supporting the markets, and buying a bacon and egg burger, sausage or cold drink. As it is Heritage month, the Historical Society have some extra activities planned, including a film screening at the Alexandra Hall in the afternoon (Rough Diamonds starring Jason Donovan, filmed in Toogoolawah and Boonah).

CAKE STALL 16th MAY: A cake stall is planned for Friday 16th May, outside the IGA in Toogoolawah. This is a cattle sale day, so we are expecting a lot of people to be in town. We are asking for donations of baking, preserves, etc to sell. Jody Robinson is coordinating the donations and may be contacted on 54247161.

So far donations include carrot cake, jam, gingernuts, chocolate slice, cherry slice, tomato relish, caramel slice, scones, choc-weetbix slice, fruitcake, biscuits, marshmallows, rocky road popcorn and Anzac biscuits.

We’ve had some donations of ingredients, thank you to those families - we appreciate the help.

Jody has trays and stick on labels for our bakers to use. Please call her if you’d like some. Labels should list the ingredients used.

Cooking can be dropped off at school by Thursday afternoon, or can be brought to Toogoolawah by 8:30am onwards.

If you are able to bake/donate/help on the morning, please drop a note into the office or phone Jody directly.
